

TLT - TOMORROW'S LEADERS TODAY

EMPOWERING FUTURE LEADERS TO SHAPE ANNA'S GROWTH AND COMMUNITY IMPACT

WHAT IS LEADERSHIP ANNA?

Leadership Anna is a six-month program by the Greater Anna Chamber of Commerce that empowers future leaders to make a real impact in the Anna community. Through monthly sessions, participants explore leadership, public safety, economic development, and more, while working together on a class project that benefits the community. The program's mission is to develop leaders who will shape Anna's future and strengthen the local community.

Unique On-Site Experiences

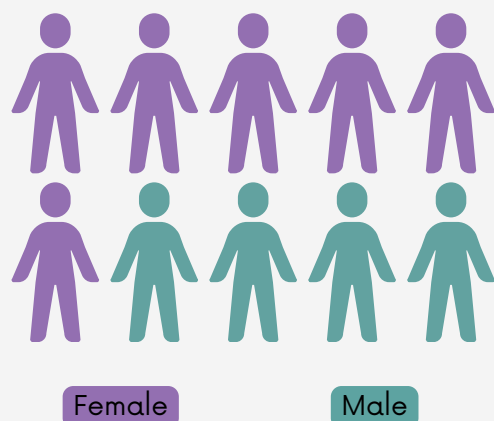

Participants of the TLT Leadership Anna Program show a **30% improvement** in leadership growth, community engagement, economic understanding and career readiness.

DEMOGRAPHICS

Leadership Anna is 72% White, 4.9% Hispanic, 13.1% Black, 6.6% Asian, and 3.3% Multiracial. The program aims to expand diversity through outreach as it continues to grow.

The majority of our participants are female, representing 62% of the group, while males account for 38%, showcasing a strong female presence in our leadership programs.

Our program fosters educational growth across various levels, with a majority of participants actively pursuing higher education. From those completing some college or earning an Associate's degree to a strong presence of Bachelor's degree holders, we're proud to support individuals committed to advancing their academic and leadership journey. Additionally, our participants include both high school graduates and those achieving Master's degrees, showcasing a diverse range of educational accomplishments.
